About This Content

DLC: Testing Laboratory tells the story back on the Earth. Testing Laboratory is kind of a flashback chapter or a prequel if you want. Our hero just signed up for the Endera's suicide mission, but he wants to be captain of the mission. What really happens and why he ended up as the coffee-guy? Try to uncover this secret!

DLC features:

- Introducing new character: **House**
- 10 ultimate tests
- 20 levels in total
- New back-story revelations
- Get 5 new achievements
- More than ***30 minutes*** additional gameplay
